**Pre and Post Training Requirements:** After much observation of and meditation on the prerequisite process we have come to understand the importance of spreading the requirements into a 3-Phase process.

- **Phase A** is what is necessary to submit an application.
- **Phase B** covers what is needed for your application to be reviewed and considered for an invitation into the training.
- **Phase C** includes post teacher certification workshop hours/days to be completed within three years of completing the teacher training in order to retain your active teacher status. This change allows for teacher development to be ongoing.

Please note that all class and workshop hours must be held with a teacher who is a member of the 5Rhythms Teachers Association (5RTA) or was a 5RTA member at the time that you studied with them.

#### **Additional Information:**

It is the student's responsibility to make sure their teachers are listed on the [5Rhythms.com](https://www.5Rhythms.com) website (or were Accredited teachers, i.e. part of the 5RTA-at the time of your study with the teacher). Only members of the 5Rhythms Teachers Association (5RTA) are authorized to provide required classes and workshops.

## 5Rhythms Teacher Training Application Checklist

2. Application Fee Payment complete. Ensure that you have already completed Phase A Prerequisites and can complete Phase B Prerequisites by August 1, 2025, before paying your application fee (the fee is non-refundable). You can submit your application fee of \$250 at the link below. Once your application fee is made you will receive an email with access to complete your application. Link for Application fee:

**Note:** Applicants must have a working verbal and reading knowledge of English. The training will be fully held in English (Los solicitantes deben tener un conocimiento verbal y de lectura del inglés. El entrenamiento es completamente en inglés).

#### **The Dancing Path Portal (Log your hours on the website)**

You may begin logging your workshop hours at any stage of your process and we encourage you to do so as you go along, rather than waiting until you've completed the requirements. We recommend logging hours on your computer, rather than the app.

Please send your information below to [teacheradmin@5rhythms.com](mailto:teacheradmin@5rhythms.com) and we will create the account for you:

- First Name
- Last Name
- Email address
- Country and Town you live in.
- Gender - Male/Female or Other as you prefer to be identified

Once you're profile has been set up, you'll be able to login on the Dancing Path Student Portal and enter your prerequisites on the 5Rhythms website.

When you log in for the first time, please upload a clear photograph of yourself that makes it possible for teachers to accurately approve your attendance. Without a profile image, your requests may not get approved.

After you've logged in, you'll see a menu on the left. Hover your mouse over **Log Classes/Workshops** and a submenu will expand.

You'll see the **Waves Attendance Request** link on the left — that is for requesting weekly class hours. Click that link and you'll see a list of teachers, as well as dropdown boxes of months and years. Choose the start dates (enter end dates **ONLY** if you are no longer dancing with that teacher). Be sure to fill in the number of hours you've danced with the teacher.

The link above it — **Workshop Attendance Request** — is for requesting any workshops you have attended previously. Click that link and you'll see a drop down menu of all of our teachers. Click the teachers you've danced with in the past and a list of their workshops will appear. When you click the REQUEST button, an email is sent to the teacher to confirm your attendance. It's very easy to use.

For any workshops that are not in the teachers list, you'll need to request them. To do that click on the Workshop Attendance Request link on the left. There's a button that says **IF YOU CAN'T FIND A WORKSHOP PLEASE REQUEST HERE**. Click that button, then fill out the form with all the details you can remember. The teacher will then receive the request and approve or deny your request.
